Microsoft Viva

Enable a high-performance workforce

Are you looking for communication and learning tools that equip your employees for success and help them feel more connected? As a technology partner, we understand the challenges businesses face when it comes to making employees feel valued and engaged.

> " Employees who are not engaged or who are actively disengaged cost the world **US$7.8 trillion** in lost productivity."
>
> **– Gallup[1]**

43% of employees

say they feel disconnected from their company as a whole[2]

An engaged workforce is critical to your success.

2x profitability
when employees are engaged[3]

12x less
employee attrition[4]

23% higher
Workforce productivity[5]

10% higher
Customer satisfaction[6]

A high-performance workforce requires high-performance technology

That's why we recommend Microsoft Viva. Now, you can empower and energize your workforce by creating space for conversations, communities, and learning.

Foster an inclusive and engaged culture
with easy ways for employees to contribute ideas, share feedback, and connect with colleagues.

Simplify how employees discover and access resources
to support their goals and career paths.

Facilitate knowledge-sharing with experts
to help employees succeed in their roles and careers.

Get a single employee experience platform

When you use Microsoft Viva, you get a total employee experience platform (EXP) that can be customized to meet your specific requirements. Here are how different modules come together to help you drive a high-performance workforce.

Viva Connections

• Target communications and resources to the right people
• Deliver rich mobile experience to keep employees connected with ease

Viva Learning

• Surface the right content from Microsoft, learning content providers and systems, and your own content
• Infuse learning resources into conversations—1:1 chats, group chats, and meetings
• Get curated learning suggestions and knowledge summaries using

Viva Topics

• Customize, share and refine knowledge through curated topic pages and cards across Microsoft 365
• Generate summaries and offer answers based on documents related to the topic at hand

What can you expect?

• Decrease onboarding costs and time
• Empower employees to advance their career
• Reduce the skills gap
• Speed up product development
• Increase customer retention and close rates
• Boost your bottom line

Let's get started

Are you ready to empower every employee within your business? As a Microsoft partner, we're ready to help you in your transformation. Our team brings deep knowledge of Microsoft products to your business. Rely on us for:
